

ICSOBA Student Award

Application Form (2025)

This scholarship aims to support students and young scientists in the field of primary aluminium production. It is designed to encourage the exchange of ideas, recognize students' contributions to advancing science and technology, as well as promote education and training for the younger generation.

Please complete the following information to apply for the ICSOBA Student Award (between 500 and 1000 US\$).

All eligible applications will be reviewed by the ICSOBA award committee, and the results will be communicated with the applicant by the end of July, at the latest.

Note: This application form should not exceed 3 pages and its format (font size, inter-line distance, margins, ...) should not be changed.
